PRESIDENT'S MESSAGE

When I was elected President of the Ohio Genealogical Society over two and one half years ago, one real need among members seemed to be to know more about the purposes, plans, and progress of our organization. Thus, I have been stressing communication among members, leadership, and staff. I think we have all made great strides in this area, so I'd like to stress another factor vital to the overall success of O. G. S. --PARTICIPATION.

When the O. G. S. was a relatively small organization, it was both a necessity and a real challenge to help get O. G. S. rolling. Lida Harshman's real leadership ability and her lively personality built the foundations of O. G. S. "Lida's Girls", members from the Summit County area, met in Lida's specially built library to do the kinds of chores that needed doing. They wrote, copied, collated, and sent out the monthly newsletters. They kept track of members and they helped with the indexing of the 1820 and 1830 census records for Ohio.

During those years, it was easier to see the direct results of each person's efforts which, in turn, made it even more rewarding. Now, however, we are much bigger (with over 6,000 members in 1986), so it is sometimes harder for individual members to find their "nitch", and to feel part of our organization. But, O. G. S. still needs your help, because we still consider ourselves a volunteer organization, although we now have two full-time staff members. If you are in doubt about how much free help O. G. S. receives, all you have to do is compare our current dues with the few other groups that are comparable to ours!

Besides, even though some people still ask, "What will I get out of O. G. S.?", the real reward of being part of this organization is putting in your own efforts. After all, as someone said, "You get out of it whatever you put into it!" This goes for our members and friends who belong to local chapters, as well as to those who are members of our state organization. So, please do PARTICIPATE so that we can continue to be a really rewarding and lively group. Also, just in case you might wonder how to PARTICIPATE, there are a few ideas on the next page. Read them over. Think of others and PARTICIPATE.

Julie Overton, President O. G. S.

P Prepare yourself by reading and asking questions; then vote on all O.G.S. officers at the chapter and state levels.

A Articles for the REPORT, for O.R.P.F., and items for the Newsletter will sharpen your own research skills - and help others, too.

R Research facilities at O.G.S. headquarters need to be expanded; please send a check in for the New Building Fund.

T Type up lists for your chapter or for your library or even for your county courthouse - and distribute copies in appropriate places.

I Increase your managerial skills by accepting an officer's position in your chapter; or chair a committee.

C Call chapter members and friends to remind them of special projects and of local and area meetings; offer rides if needed.

I Increase your participation at meetings at the local and state level (O.G.S. Convention is April 24 & 25) - you <u>will</u> benefit!

P Program planning for your chapter can be fun, challenging, and the O.G.S. Speaker's Bureau will make it even easier.

A Ancestor cards and charts should be sent in; the more you send in, the more benefit you will eventually get; and you will help others.

T Talk to others and get them interested in genealogical research; invite them to become members of your chapter and of O.G.S.

E Evaluate your participation, and compare it with others - and let your successors know what didn't work - and what did!

UPDATE ON FAMILY GROUP SHEET PROJECT

The Family Group Sheet Project has now been operating for several months and a progress report seems in order.

The group sheet provided in the April 1986 issue of the OGS Newsletter is the preferred form. When the project was initiated, we decided not to be arbitrary regarding forms so that, if members wished to submit copies of group sheets they had already completed, we would not insist these be copied on our forms. We would accept any form containing the customary information.

In practice, two types of entries have reached us which caused problems. All entries are filed alphabetically in large notebooks. This necessitates punching three holes on the left side (11 1/2" side) of the sheet. Quite a few entries have been received in which the information runs at right angles to our forms, making the punch marks at the top of these entries. In many cases this cuts into the information. In the future, please do not use this type of form.

The most troublesome entries have been those submitted on computer print out paper. These are seldom comfined to one sheet (one had six sheets) and often do not contain the same information as our form. For this reason, I have, with board approval, decided to stipulate that no more entries on computer paper will be accepted.

In other ways we will attempt to abide by our original instructions. That is: Only OGS members may submit entries. These should be direct ancestors only. There are no restrictions as to time and area. We assume, as you are members of OGS, that there is an Ohio connection either directly or indirectly.

As to the form itself, we attempted to make it as simple as possible and flexible. One minor question has been asked. Under "Children"--both "born" and "burial"--these were purposely not specified as time or place so they can be either or both.

I have also been asked what ancestors to submit. Personally, I took the names from my five generation chart as a start and made a form for each. Some have even included their own family record, which is an acceptable addition.

Please do not fail to use the reverse side for listing sources. THIS IS TOO OFTEN FORGOTTEN.

If there are any questions, you may write to me at the OGS office. JUST SEND YOUR ENTRIES.

Extra copies of the form are available at the office for your use. Please include a SASE with your request.

QUESTIONS & ANSWERS

QUESTION: How long does it take to get a query printed in the OGS NEWSLETTER?

ANSWER: Usually, it takes at least two months before your query will appear. Our query editor files them according to the date that they are received and types them in that order. If more than one is sent, one will be typed and one will be filed for use later, when, and if, there is space available. We did put extra pages in the November and December issues to complete the queries that had been received by November 1, 1986. Each query page has six or seven members' queries listed. Also, there are usually eight pages of queries per issue. In January we receive a flood of queries with new memberships that carry us into April or May. You can help us get more queries in each issue by planning your questions carefully so that precious space is saved. Also, if sending two queries, number them as to which one is first priority and which is second in importance. Two short queries are sometimes combined into one.

ANSWER:
RE: OGS NEWSLETTER 17:10 (1986) page 146 Hans Weintraut of Hamburg, Germany, writes that there are three Liebenows all in Poland: One is near Kleinspiegel, one in Brandenburg, and one in Pomerania.

For Catholic church records you could write:

For Evangelic church records write to:
Evangelisches Zentralarchiv

PUBLIC RECORDS ARE THE PEOPLE'S RECORDS

The Athens County Chapter, OGS, is gathering data about the accessibility of public records in Ohio. If you have had difficulty gaining access, have been compelled to purchase a certified rather than a noncertified copy of a record, or have been charged an unrealistic amount for a copy, please write:

Elizabeth Smith
41640 Carsey Rd.
Albany, OH 45710
Phone: (614) 698-3495

The law in Ohio is very clear. "The rule in Ohio is that public records are the people's records, and that the officials in whose custody they happen to be are merely trustees for the people." (Beacon Journal v Andrews). All records a governmental unit is required to keep are public records except medical records, records pertaining to adoption, probation and parole proceedings, trial preparation records, and confidential law invetigatory records. According to the provisions of ORC 149.43 ". . . All public records shall be promptly prepared and made available for inspection to any member of the general public at all reasonable times during regular business hours. Upon request, a person responsible for public records shall make copies available at cost, within a reasonable time. In order to facilitate broader access to public records, governmental units shall maintain public records in such a manner that they can be made available for inspection. . ."

According to ORC 149.99 "Any person aggrieved by a violation of section 149.43 may bring a civil action to compel compliance, and may recover a forfeiture of one thousand dollars and reasonable attorneys fees for each violation."

PRESIDENT'S MESSAGE

We weren't sure about the weather, but when on Friday morning the Ohio State Patrol said "Please DON'T", we DIDN'T - have the Executive Committee and Board of Trustees meeting scheduled for January 24th. That's been postponed until February 28th at Mansfield. So I'll continue last month's theme of PARTICIPATION.

When the Board of Trustees decided to preserve our current Headquarters Building, the first thing that needed to be done was to repair the roof. Once that was done, the next major item on the agenda was to replace the worn-out carpeting, especially on the main floor. Since that would take several days, the Headquarters Building was closed for the week of January 21 thru January 28. (I hope that didn't inconvenience too many of you that snowy week!).

Winton Arnold (Chair of the Buildings and Grounds Committee) and his "crew" decided to paint and clean while they were "at it". So that week was devoted to moving books and bookshelves, getting painting done, putting down carpet, cleaning curtains, refinishing some wood cabinets, etc. One day, when the painters didn't show up, everyone went back home, dug out their personal painting equipment, and did it themselves!

This "crew" did a fantastic job, and the people involved included Winton himself, staffers Tom Neel, Cindy Metzger and Susan Burge, and volunteers Cary Latimer, Nancy Burge, Delores Arnold and various sundry friends and relatives. I can't thank them enough. So, when you next visit Headquarters, you should take a good look at the new carpeting, the freshly painted walls, ... and the looks of satisfaction on everyone's faces. That's one really good example of how people are PARTICIPATING.

So how can you participate?!? Browse through this month's Newsletter and you'll know the answer, when you get to the center pages containing this year's Convention information and registration forms. Even though we are having the convention somewhere besides Columbus (Perrysburg is just outside Toledo - and VERY easy to get to), we WILL be back to our regular convention format. There are lots of lectures planned, there will be exhibitors all over the place, our ever-popular name exchange (with J. D. Wolfe presiding) is scheduled, and our printed name exchange will be produced again. We'll have two social hours--the one on Friday evening being the time to show off an ancestor's wearing apparel if you can, and Saturday's will be the warmup for the F.F.O. ceremonies.

Above all, we'll have the feeling of one society again, with plenty of chances for you to socialize with old friends and make new ones - and all at a cost I hope you can all afford (essentially the same as our 1985 prices, believe it or not!).

So, since the Convention Committee has tried their level best to do the kinds of things you've wanted, please return the favor by attending the 26th Annual Ohio Genealogical Society Convention, by registering for the whole package if you can, and by staying at the host hotel. That way you can learn all day, and visit half the night if you want to. Besides, the Toledo area chapters are working hard and have planned programs that will emphasize Toledo's 150th birthday, and Michigan's 150th anniversary, and ... come and see!

Julie M. Overton, President
Ohio Genealogical Society

QUESTIONS & ANSWERS

QUESTION

Where might I find information on my ancestor, John Swendal, who came from Ireland in 1812 and, according to a Richland County history, was captured by the British and released thirteen weeks later? Can anyone give us an answer to this? Where should she search for the answer?

Number 1:

We have had a few inquiries about the names with numbers in the middle of the December 1986 issue of the newsletter. This is the index for 1986. I neglected to type a title at the top of it after the computer did its work.

If you find a name that you are interested in, look back to that page in the newsletter and you should find it located there.

All newsletter pages are supposed to be numbered consecutively, starting with one in the first issue of the year. Indexing then becomes an easier task and finding a certain name should be easier also.

Number 2:

Please correct an error made on page 182 of the 1986 edition of the OGS Newsletter. JOHN SPONSELLER was donated by Charlene Sponseller. However, the author was Mr. Marion E. Sponseller, 4018 Ogema Ave., Flint, MI 48507.

Number 3:

While you have the issue open, turn to page 184 of the same issue and change the date of Nadine Korotev's great grandparents' marriage from 1882 to 1832.

We regret any problems that the above errors may have caused.

The CLERMONT COUNTY GENEALOGICAL SOCIETY is celebrating the bicentennial of the Northwest Ordinance by forming a "FIRST FAMILIES OF CLERMONT" group within its membership.

To be eligible, one must prove an ancestor residing in Clermont County on or before 1820, and prove every connecting generation to that ancestor.

According to George Marshall, president of the group, the county is outstanding, historically and genealogically, for several reasons. The county was a working county before Ohio obtained statehood, having been formed within the Old Northwest Territory. It lies directly on a major migration route on the Ohio River, the main route to the West. Clermont County was also a part of the Virginia Military District, where Revolutionary soldiers were given land grants to pay for their service. Added to all this, is the fact that Clermont County's records from 1800 to the present are almost entirely complete and extant and may be easily consulted to prove a pioneer's residence and subsequent connecting generations.

March 31 is the deadline for applications for this year. Those approved will be honored July 18, 1987, at a luncheon at the Eastgate Holiday Inn. Write to: "First Families", c/o Clermont County Gen. Soc., P. O. Box 394, Batavia, OH 45103.

The CARROLL COUNTY CHAPTER, 59 3rd St., NE, Carrollton, OH 44615, has a reprint of the 1891 BEERS BIOGRAPHICAL RECORD OF CARROLL COUNTY, OHIO available. It has 452 pages, is printed on Permalife (acid free) paper, and is indexed. The cost is $25.00 plus $2.00 postage and handling. Tax is included in the price.

GALLIA COUNTY CHAPTER, OGS, P. O. Box 295, Gallipolis, OH 45631, has a new publication available about Gallipolis, Ohio, with programs given at regular meetings by Frank Hill, Paul Mossman, and Anne Bradbury. The cost is $3.00, plus $1.00 postage.

The HAMILTON COUNTY CHAPTER, OGS, will present 'Three on Three" (three speakers on three states--Carol Bell on Ohio, James Bentley on Kentucky, and Willard Heiss on Indiana) on March 21, 1987. Your preregistration of $12.00 should be sent by March 10 to: HCC Seminar, P. O. Box 15851, Cincinnati, OH 45215. Enclose SASE for confirmation and request details not included here because of space limitations.

OHIO HISTORICAL SOCIETY

The OHS has received a $169,349 grant from the National Endowment for the Humanities to begin the bibliographic phase of the Ohio Newspaper Project. Ohio joins numerous other states participating in the United States Newspaper Program, which is designed to inventory and catalog all extant newspaper titles and to produce a union list of U. S. newspapers through the service of the OCLC Online System. The bibliographic phase of the project, scheduled to begin in January 1987 and continue through June 1989, includes inventorying and cataloging the 3,400 newspaper titles available at the OHS. For further information, contact the Archives-Library Division, OHS, 1985 Velma Avenue, Columbus, OH 43211.

OHIO HISTORICAL SOCIETY

We have been informed by Dennis East, State Archivist at OHS, that The Complete Record, Estate Accounts, and microfilmed case files of the Franklin County Probate Court held by the Society have been closed to researchers until further notice. This action was taken because these records contain lunacy and adoption information which is closed by law.

Mr. East has requested a meeting with the Franklin County Probate Court to seek permission to reopen these records for research.

If other Ohio county probate court records housed at Ohio Network Centers contain similar lunacy and adoption information, they too will need to be closed until access is cleared.

OHS regrets having to take this action and the inconvenience to researchers and hopes to gain permission to re-open the records soon. It may be that a long-term solution to this problem is to seek legislation that opens such records, perhaps after seventy-five years, to the many interested researchers in Ohio.

Refer to the Ohio Revised Code 149.43 (A)(3); 5122.31 and 3107.17 (B).

We will keep you informed on this matter as we are notified by Mr. East.

ANNUAL MEETING - The annual meeting, scheduled immediately following lunch on Saturday and prior to the afternoon guest speaker, is open to all O.G.S. members at no charge. If you plan to attend this event and are not planning to come for lunch, please mark your registration form accordingly. The hotel staff will have normally set up only enough chairs and tables to accommodate lunch. By knowing ahead of time how many members will join us for the annual meeting, but will not be coming for lunch, we can request additional seating for those members.

****

SPECIAL GROUP LUNCHEON - The Council of Ohio Genealogists will sponsor a special luncheon on Friday. This will be their 3rd annual luncheon and awards program. It is scheduled for 11:30 and is open to all. There is a separate charge for this event as indicated on your registration form.

COG AWARDS - To encourage scholarly publication of Ohio related materials by individuals, the Council has developed an awards program for a variety of genealogical material. If you would like to submit a copy of your work for consideration, send it to the president of COG, Eric Nagle, 5320 Woodcock Way, Dayton, OH 45424. If you wish the book sent back to you, please enclose return postage otherwise, the book becomes the property of COG and will be donated to an Ohio library.

ETHNIC SOCIAL HOUR - Dress--Although our events are all held indoors, consistent temperatures can be difficult to maintain and preferences vary among individuals. A light jacket or sweater is suggested. Dress is casual throughout the day with more formal attire for the evening functions.

Costumes--Friday evening has been selected for our "ethnic costume" event. A small prize will be awarded for the most appealing costume. The judges will be observing all who are in costume during the ethnic social hour and the winner will be announced at dinner. So, select your ancestor/ancestress and come dressed as they might have for the period in which they lived.

PHOTOGRAPHY SESSIONS

PHOTOGRAPHY - Jack Montag will once again be our convention photographer. If you are a member of one of the newly chartered chapters, please check the schedule of events in the O.G.S. Convention Program for the location of the photography sessions. All FFO members who will be receiving their certificates at the awards ceremony should gather together at the same location as their group pictures will be taken immediately following. It is helpful for the photographer to be able to see the approximate total number of FFO members to be photographed in order for him to divide the group up into well-balanced units. A copy of an 8x10 group photo in color may be ordered from the photographer's assistant for $13.00 pp.

During the FFO presentation ceremony, Jack will also be on hand to take an individual picture of you receiving your certificate and will explain the procedure at the group photography session. Individual color photos are $11.00 for an 8x10 or $7.00 for the 5x7 pp.

Flash cameras are not to be used during the photography session; not because the photographer objected to the competition, but the flash sets off the photographer's lights and could ruin his pictures.

QUESTION:
Where can I find divorce records of Montgomery County, Ohio, prior to 1840? According to the County Clerk, Dayton wasn't very settled in the late 1830" as far as the court system was concerned. I was informed that divorces were handled by the Ohio Supreme Court. I called the Supreme Court Library--they maintain no record of divorce cases.

I am looking for the divorce record of William MORFORD and Rebecca (RAY) MORFORD, just prior to 1840. They were married 4 SEP 1823 in Warren Co., OH. Rebecca died in 1843. William married Sarah B. JOHNSON in 1840.

ANSWER:
According to OHIO GENEALOGICAL GUIDE, Third Edition, by Carol Willsey Bell, C. G., p. 42, "Divorce records will be found in SUPREME COURT RECORDS until 1843; after which they appear in CHANCERY RECORDS til approximately 1852, at which time they will be found in COMMON PLEAS JOURNALS." It also states, "All divorces were heard before the Supreme Court justices meeting in the counties."

QUESTIONS & ANSWERS

QUESTION--Who could be contacted concerning blind pensions paid in Ohio about 1900? Neither the county courthouse nor the State Department of Health could help.

QUESTION--The Burchards and Buceys, of German origin, were born near Stubenville around 1800 and resided there for the next hundred years or more. They were well educated, and for generations to follow, were printers. In the many wills that have been copied, the David Burchard descendants begin with the words, "In the name of the Benevolent Father of all. . ." This sentence is always used instead of the statement relating to being of sound mind. Why do they use the former statement, rather than the "being of sound mind" statement?

QUESTION:

Does anyone have any ideas as to the significance of a Civil War veteran (age 60 in 1890) wearing an earring? Could any of you Civil War buffs help us here?

SPECIAL ANNOUNCEMENTS

R. R. Williams, 2 Pen Lon, Menai Bridge, Gwynedd, Wales LL59 5LW, has written a response to my query and asked me to place this note in the newsletter. Because of the number of enquiries, there will be a delay in a response, but all letters definitely will be answered in due course. See page 159 of the November 1986 OGS Newsletter for review of the details.

Mr. Williams included a notice of the study/holiday on the theme "Family History in Wales" being organized at the College of Librarianship at Aberystwyth August 17-21, 1987. The cost is 100 pounds. This is available only to those from overseas. Also, The Fourth British Family History Conference is planned for the same location from August 21 to 25. Its cost is 98 pounds. For full details, write with an SAE (stamped addressed envelope) and two international reply coupons (80 cents each at larger post offices) to: Mrs. D. Carver, 61 Rockes Meadow, Knighton, Powys LD7 1LE.

As of February 6, 1987, the exchange rate for the pound is 1.54. (100 pounds equals $154) It varies from day to day, so I suggest that you contact your local bank for details on sending money overseas. Personal checks may be difficult for them to cash and bank drafts may save everyone time and aggravation.

LETTERS TO THE EDITOR

I received a letter from Pat Johnson stating that she is beginning to make plans to attend the Fourth British Family History Conference to be held at the College of Librarianship, Llanbadarn Fawr, Aberstwyth, Wales, from August 21 to 25, 1987. There is also a study/holiday on the theme "Family History in Wales" being organized at the College for the 17-21st of August at the same location. The National Library of Wales is also located at Aberystwyth, so there is an opportunity to do Welsh research at the same time. In addition, the National Eisteddfod of Wales, an annual event, will be held at the nearby town of Porthmadog, in Caernarfonshire, August 3-8, 1987.

Pat would like to hear from others who might be interested in spending August in Wales and sharing travel expenses and company. If interested, contact Pat Johnson, 2 Wild Lake Dr., RR5, Covington, KY 41015.

CONVENTION EXHIBITS

Our display area will be a delightful mix of open and closed space this year. The overall floor plan has been designed so that the traffic will flow easily from one area to another and each exhibitor will have a prime location. Covered tables will be provided and the space will be allotted in 2' units. Each OGS Chapter will be given one unit free. Additional units are available at $2.00 per unit. The entire area will be protected in off-hours by a security guard from the Perrysburg Police Department.

As a suggestion to overcome the problem of who will volunteer to be in charge of your exhibit space throughout the convention, your group might consider absorbing some of the expenses of a spouse or friend to attend in return for that individual setting up and displaying your publications. Although not particularly interested in attending the sessions, he or she would enjoy being with the spouse or friend for the weekend.

Space will be limited and will be assigned on a first-come-first-served basis. Chapters may want to consider joint displays. The use of small book racks, pamphlet holders, free-standing, clear photo frames, etc. will also allow for a more efficient use of your exhibit area.

To reserve space for the 1987 Convention, send the total number of units needed, a check payable to OGS for the number of units exceeding your one free unit, the name(s) of the organization(s) using that space, and a SASE for confirmation and details to: Judy J. Bishara, 2712 Bendemeer Court, Poland, OH 44514.

Donations for door prizes will be greatly appreciated and can also be sent to Judy J. Bishara at the same address.

Vol. XVIII No. 3
March 1987
Page 37

Hello! By the time the January Newsletter arrived and I had time to sit down and read it, it was too late to write the corrections we felt were necessary and get them into the February issue. However, since we are all researchers, you too must dislike to see errors in print.

First: "Lida's girls" were not from Summit county. Lida Harshman herself lived in Trumbull county and all of her initial "girls" came from there. Later, Bernice Simon joined the group driving down from Chagrin Falls to help with the publications. She now lives in Mahoning county.

We not only cut stencils and produced the Newsletter but we typed and organized the material for the Report. We met and worked every Tuesday for years doing much of the typing in our homes.

The second correction: The 1820 and 1830 census indexes were compiled and published before the Trumbull County Chapter was formed in 1969. The index for the 1820 census was compiled, under the supervision of Ruth Douthit, by the Friends of the Ohio State Library and its staff. The 1830 census index was compiled by a group called the Ohio Family Historians under the supervision of its president, Mary Harter. Both books were edited and published by the Ohio Library Foundation, in 1964.

The indexing of the 1850 census was started by the Ohio Family Historians and Lida recruited her "girls" to help with it. When the Ohio Family Historians realized the investment necessary to publish the data, they voted to abandon the project. Lida, rather than see the compilation stored, invested her own funds (over $30,000) to have it published.

After completion of the pre-publication sale and some of her funds were recovered, Lida entered into the compiling of the 1860 census index. Here again, she called on her "girls" for help.

These two publications, the 1850 and 1860 census index books, are now for sale by Lida's daughter, Mrs. Cora Bartholow, of Alameda, California.

Just thought you ought to know. Happy Hunting.

FRANKLIN COUNTY PROBATE RECORDS UPDATE

On page 28 of our February issue we reported that some of the Franklin County public records were being temporarily closed, pending an official decision regarding these records. The records that the Ohio Historical Society had closed to researchers were: complete record books, estate accounts, and microfilmed case files from Franklin County Probate Court.

A meeting was held January 16, 1987. Emily Garner and Attorney Susan Eisenman, representing the Franklin County Chapter, OGS, were two representatives at that meeting.

The session was conducted by Judge Richard B. Metcalf. He stated that: 1. All records prior to 1961 containing lunacy records are open, 2. All records prior to 1926 containing adoptions are open, and 3. All records from 1926 through 1964 that are co-mingled and contain either adoption or lunacy records are open.

Our thanks go out to Emily and Susan for spending their valuable time in order to keep the Franklin County Probate Court records available for research.

PRESIDENT'S MESSAGE

As you read last month, the January meetings of the Executive Committee and the Board of Trustees were cancelled due to a "slight" blizzard in the northern part of the state. The February meeting time, however, worked out fine, so the 28th saw a well-attended set of OGS meetings.

The Executive Committee met in the morning, and there were four highlights which were very exciting to all of us. These highlights were the acceptance of four new chapters into the Ohio Genealogical Society. Kent Area Vice-President, Judy Bishara, requested that Jefferson County be accepted as a chapter of OGS, and that the Ashtabula County Genealogical Society (formed in 1973) also be accepted. Since their by-laws were in accordance with OGS's policies, and since they had a least 15 OGS members within their ranks, both chapters were accepted.

Then, Jana Broglin, Toledo Area Vice-President, requested that Henry and Paulding Counties' new groups also be accepted as chapters of OGS and, again, both were accepted.

All four of these new chapters will receive their charters and have their photographs taken at the Annual Business Meeting scheduled for Saturday, April 25. I really look forward to having these four new chapters become part of our organization. If any of you out there would like to join the new groups, just contact them either directly or via Headquarters.

The other major item of importance was the acceptance, with deep regret, of the resignation of Mary Jane Henney as Chair of the Volunteers at Headquarters. She has worked long and hard for OGS and she will be sorely missed in her current capacity of Volunteers Chair. Mary Jane felt she had to resign because she and her husband, Fritz Henney (also a former OGS Board member), need some time to do some genealogical galavanting and spend time with their family. I asked Marilyn Klippel to take over the Chairmanship, and the Executive Committee accepted this appointment. Marilyn is a former office manager for OGS and is very familiar with our operations, so I know she will fill the position very well. Welcome aboard again, Marilyn.

The Board of Trustees met at 1:00 p.m., and although they had a lengthy agenda, quite a bit was accomplished. First, however, Dr. William Houston announced that Raymond Dent, of Mansfield, a founder and former President of OGS, had died on Thursday, February 26th. Ray was a warm and generous person who always had the Ohio Genealogical Society's best interest at heart. My deepest sympathies go out to his widow Nellie, and to his family. A notice about a Memorial Fund will be elsewhere in this Newsletter.

Our New Building Fund stands at about $107,000. which puts us well on our way toward a new library building. A part of that total comes from the sale of some stocks which were recently donated to the OGS. Discussion was also held about the rental building we are currently operating, and the Board decided to begin procedures to clear that corner lot in preparation for the new building.

Ruth Allen, Chairman of the Board, announced two appointments: Bob Cunning has accepted the responsibility for Business and Office Affairs, and Mary Jane Henney has been appointed as the Nominations and Elections Chair. Both are long-time OGS leaders, and are thus continuing their active support.

Speaking of Nominations and Elections, your ballots for votes for five trustee slots (seven candidates) will be with this Newsletter. Read about each nominee, think about their capabilities, their geographic location, their interests, and then send in your votes. Every vote counts and that includes YOUR vote. (Joint members have two ballots enclosed.)

The next Executive Committee and Board of Trustees meeting will be held March 28th at the University Inn, Athens, Ohio. The end of April (24 and 25) will see all of us - and hopefully all of you - at the Convention in Perrysburg, just outside Toledo. So, if you haven't sent in your Convention Registration yet - RUN AND DO IT BEFORE YOU FORGET. We have lots of good programs scheduled, you'll meet old friends and make new ones, and you will acquire lots of good genealogical tidbits. See you there.

Mildred M. Boettger of Huron, Ohio, informed us that the new governor of Kansas, John M. Hayden, is a descendant of an Ohio pioneer. He is the son of Ruth Kelley Hayden and the third great grandson of Ezekiel Kelley, #3790 on the FFO roster. Ezekiel lived in Ross and Highland Counties and assisted in early surveys of that part of the state. So, a descendant of a first family of Ohio has become head of the first family of Kansas.

PRESIDENT'S MESSAGE

The Executive Committee and Board of Trustees meetings were held on March 28 at Athens, Ohio. The weather was greyish and warm and the forsythia were in bloom everywhere.

The Executive Committee meeting was held in the morning. It was nice to have Mary Bowman and Elizabeth Stern from the Athens County Chapter as guests.

The three upcoming conventions were discussed. Our own annual convention will be in Perrysburg, near Toledo. By the time you get this, our convention may very well be "history". There were no problems to be brought up, and everyone was looking forward to a good meeting.

The Old Northwest Conference over in South Bend, Indiana was also discussed. The Indiana Historical Society was kind enough to give OGS a room at the meeting, which we can use in any way we wish. The Executive Committee has decided to have our books for sale there, along with our information brochures and other publications. That promises to be a really good meeting, too.

The third Conference discussed was the one being sponsored jointly by the Federation of Genealogical Societies and the Miami Valley Council on Genealogy and History, scheduled for mid-July in Cincinnati. The Ohio Genealogical Society will have exhibit space there as well and we hope that, through the two meetings, OGS will become a "household word" among genealogists in the central part of this country. This appears to be the "Year of Conferences" in the Midwest, so it's your chance to get lots of extra genealogical knowledge - and have fun at the same time.

Since OGS is an official backer of both these meetings, we will also have one of our staff members at each of the "outside" meetings. Tom Neel plans to be at South Bend, Indiana, June 5-7, and Cindy Metzger will be at the Cincinnati meeting July 8-12. So, if you haven't met them, this will be a good chance to do so.

When we had the Vice-Presidential reports, there were no problems cited. In fact, we have approved another OGS chapter - this time in Miami County, Ohio. So that means that five new chapters will be given their charters at our Annual Convention. If you'd like to join the Miami County Chapter, drop a note to Headquarters and they will pass on your name and address. Welcome aboard, folks.

Our new Tours Chairman, Beverly Schumacher, passed out a copy of the flyer she made up to publicize our next OGS trip to Washington, D.C. The trip will be scheduled for August 2-8, and details are in this newsletter. Bev has been on several of our tours as a participant, but this is the first time she will be in charge. I know you will all have fun and learn a great deal about your genealogy - Bev's a great gal.

Elizabeth Smith, of Athens County, then made a short presentation on the overview of access to public records in Ohio. A few problems have cropped up in this area, and the Ohio Genealogical Society, with Elizabeth's help, will be taking appropriate measures to ensure that the current laws of the state of Ohio are being followed. We'll keep you informed.

The Executive Committee also decided to indicate support of conservation efforts in Ohio in relation to books and manuscript materials. Again, these are items genealogists often need to use, and the preservation of original documents is always high on our list of priorities.

The Trustees Meeting was held at 1:00 p.m. and one of the main items of business was to pass the budget for the 1987-1988 fiscal year which starts on April 1. Thanks to computers and to our bookkeeper, OGS is keeping much better track of specific costs for items, and this will also make it easier to plan our budgets more effectively. The Board also decided that our Life Membership fees will be put into permanent savings, and we will use the interest from those memberships to pay for the services to those life members. That way, we will begin to build up monies for an endowment and for upkeep of the new building.

NOTE OF INTEREST

In Licking County hunters have been asked to apprise the Cemetery Committee of any old cemeteries and gravestones found in their game quests. This has been done by asking the Game Protector to publish a paragraph in his weekly newspaper column and by posting signs/posters at license-buying agencies.

This comes from the Licking Lantern, Vol. XI No. 4, page 69.

The Board also decided to develop a policy concerning the microfilm camera we own, since a few chapters have already indicated interest in being able to use the camera. So, once we get the policies concerning the use of the camera worked out, chapters will be able to come up to headquarters and get important documents preserved on microfilm. The policies will be published just as soon as we can get them worked out, but please don't send in your requests until the policy does get published.

Finally, extensive discussion was held about the apartment building we own on the corner lot, which is scheduled for demolition. The mortgage on the building has been paid off, so all we have to do now is take it down, finish raising money through the Building Fund, get the new Building built - and open it for use! Keep your eyes on the Newsletter, and you'll be up-to-date on our progress.

Two upcoming meetings of the Executive Committee and Board of Trustees were scheduled. The first one will be at the Annual Convention, on Friday, April 24, and the second one (reorganizational) is scheduled for Saturday, May 31, in Mansfield. If anyone is interested in attending one of our meetings, please feel free to contact us to get specific locations. After all, these are your meetings!

Julie M. Overton, President
Ohio Genealogical Society

PRESIDENT'S MESSAGE

Well, we've talked about it for a long time; we've advertised all over Ohio and beyond; but now it's all over. The 26th Annual Convention was a real delight.

The meeting was held in Perrysburg, just outside Toledo, and there were almost 400 members and friends who attended. As you might expect, many were from northwestern Ohio, and it seems that a large number of them had never been to an Ohio Genealogical Society convention. That means that a whole new group of people has experienced one of our highlights of the year. I hope they come again.

The Convention started off with the Presidents' meeting, where chapter presidents and officers got a chance to say hello to each other and to talk about common problems. They also came up with a few good ideas about what to present at the OGS Leadership Seminar scheduled for August 1.

The rest of the morning was devoted to lectures, and at noon many attended the luncheon sponsored by the Council of Ohio Genealogists. Their program was on how to work with a professional genealogist. They had some good ideas, and I hope to write up a summary of their comments for publication in a future OGS Newsletter.

The afternoon saw more lectures, culminating in the return of J. D. Wolfe's oral name exchange. As usual, he had a "standing-room-only" crowd.

The ethnic social hour was highlighted by the awarding of small prices to the two most interesting ethnic outfits. Alice Baker and Michael Clegg were the winners.

The evening's program started with the awarding of the OGS Genealogical Essay Contest, with Jana Broglin presiding. The winner was David Liggett of Pickaway Co. Our congratulations go out to him and his family. The rest of the program was devoted to Bart Saxbe's humorous presentation of The Toledo War.

The Saturday morning lectures were excellent, and were followed by the annual OGS Business Meeting. Along with the usual items, Ruth Allen gave a "year's review", and all workers were thanked for their efforts during the past year. The Constitution Revision process is almost completed, and a brief note was made of that fact. The real highlights were the presentation of charters to our five (count 'em!) newest chapters of OGS (Ashtabula, Henry, Jefferson, Miami and Paulding), and the Fellow of OGS Awards. There were two this year: one to Charlotte Ritter for her past efforts on behalf of OGS including Corresponding Secretary, and Convention activist; and to Pat Donaldson for her outstanding efforts as Chairman of our Convention for the last several years. The first annual Jane Roush McCafferty, CG Award of Excellence in the furtherance of genealogy was presented by Jane's widower, James A. McCafferty. Mr. McCafferty has already started such an award within the Prince George's County Genealogical Society, and the family has now commenced this award within the Ohio Genealogical Society. The first recipient of the new award was Jana Broglin, our Education Chair.

A special award was made by the OGS Board of Trustees to Mary Jane Henney in recognition of her many hours devoted to the Ohio Genealogical Society serving unofficially as "office support person" and, officially, as Chairman of H.Q. Volunteers for many years. Congratulations to all our award winners. They really deserve to be recognized.

Finally, the results of the recent election were announced by Mary Jane Henney. Elected as trustees were: Betty Ambrose, Keith Ashley, Peggy Horn, Phyllis Miller and Michael Clegg.

After a very short break, a really good lecture on the War in the Old Northwest was presented, complete with slides and maps. The Convention concluded with the First Families of Ohio banquet and ceremony. Dr. Ritter approved 165 new members of F.F.O., with many accepting their certificates in person from Dr. Ritter.

I also want to extend my deepest thanks to our Convention Chairman, Pat Donaldson. It takes a lot of energy and clear thinking to get something as big as our Convention running successfully. Pat did a great job, and was ably supported by her committee chairs and their members. My thanks go to all of them!

All in all, it was a grand, relaxed, educational meeting and I hope you have next year's on the calendar already -- April 15 and 16 at King's Island Inn, Warren County, just outside Cincinnati. See you then, if not before!.

Julie M. Overton, President
Ohio Genealogical Society

OGS CONVENTION REPORT

The 26th Annual Ohio Genealogical Society Convention is now part of OGS history and plans are already well underway for the next one. Although the total attendance was lower, it was, by all other standards, overwhelmingly the most successful. Our surroundings were spacious and restful, the food was plentiful and superb, the exhibit areas were well-organized, the sessions were informative and the entertainment was absolutely delightful. The FFO ceremony proceeded beautifully and efficiently and the hotel staff privately voted us as one of the best groups they have ever had the privilege of serving.

We missed seeing a lot of old familiar faces there but were especially pleased to observe during roll call on Saturday that almost 90% of those attending the OGS business metting were first-time OGS Conventioneers. Many of these made a special point of letting members of the convention committee know how much they appreciated having this event in their corner of the state. Several have already committed their support to next year's event in southwest Ohio.

The two-day event was covered by the local news media and a nice article about OGS and the convention was published in the Toledo Blade.

We were honored to have the mayor of Toledo, Donna Owens, as our dinner guest on Friday. While I cannot list each individual who helped to make this past convention such a success, I would like to list the names of the key individuals for the benefit of those members who could not attend.

My support team: Diane Gagel, program and publicity; Jana Broglin, speaker support and local arrangements; Jim Herzberg and Donna Christian, registration; Steve Charter and his Wood County Chapter volunteers; Judy Bishara and Jocelyn Wilms, exhibits and door prizes; Monty and Tacy Arledge, photography; J. D. Wolfe, surname exchange; Henry Timman, Master of Ceremonies; Hartien S. Ritter, Julie Overton and Ruth Allen, First Family Ceremony; Marty Timman, interpreter and guide for the map and schedule of events on site. To Joseph and Louine Hutchins for constant emergency assistance; Tom Neel, Cindy and Sam Metzger and Sunda Peters for their support on the site and at headquarters and for getting the convention news and registration forms printed on time; Dr. McCrea and the entire OGS membership in Northwest Ohio and last, but not least, the staff of the Holiday Inn, French Quarter.

To all of you, on behalf of those who attended and enjoyed our 1987 convention, my sincere thanks. See you all next year!

Pat Donaldson
Convention Chairman

ETHNIC COSTUME AWARDS

Alice Baker and Michael Clegg were the winners of the annual costume contest at the OGS Convention this year. Alice, with her charming calico dress and bonnet and Michael in his colorful Dutch costume with authentic wooden shoes, were the two entries selected by non-biased observers. Members of the hotel staff acted as the judges and their identity was known only to the hotel catering manager who then passed the results along to the convention chairman. Instructed to select two of the most appealing costumes, preferably one male and one female, if possible, no other criteria was set for them except that the OGS President, the convention chairman and the guest speaker, not be included as possible candidates. The hotel staff this year did comment that they had hoped to have more from which to choose, however, as they enjoyed seeing the variety of costumes and thought it added a special touch to our Friday evening event.

We would like to encourage you to share the fun of pretending to be someone else for this special evening each year. If you begin now, you will have plenty of time to be ready for Friday evening, April 15th, 1988 at King's Island Inn, just north of Cincinnati. For that evening you can be anyone - a bell-bottomed sailor, a nurse, an Indian princess, a pirate, a farmer - as it will not be limited in scope to any period of time. Those who did not win this year should not give up. Please wear your costume again next year and help create an atmosphere of fun and tradition. As our president says "PARTICIPANT".

Pat Donaldson
Convention Chairman

WAR OF 1812 RESEARCH

I had the pleasure of hearing Gerry Altoff, Supervisory Park Ranger at Perry's Victory and International Peace Memorial at Put-In-Bay, OH, speak at our recent OGS Convention. Mr. Altoff has been working on a research project for several years attempting to identify the U. S. Infantry and Militia from several states that served aboard the American fleet during the Battle of Lake Erie. He is seeking to identify these men by unit and to discover any other biographical information that might exist. Many of these individuals were originally from or later settled in Ohio.

He has asked for your help in identifying these men, whose names may be misspelled or in error, since the following names are not found in the National Archives listings of U. S. Regulars or Militia, nor on muster rolls of units that are known to have participated in the battle.

BONNER, William--a private on the Trippe, possibly 2nd U. S. Artillery
BROWN, John--a corporal on the Trippe, probably a U. S. Regular
BURDINE, Elijah--a landsman on the Niagara, possibly a soldier from the Lake Ontario region
CHESTER, John--a landsman on the Ariel, possibly a private in Cap. Lee's Co. of the 17th U.S. Inf.
GOODRICH, Josiah--the pilot ot the Porcupine and originally from Pennsylvania
GRAY, William--a private on the Niagara and possibly Pennsylvania Militia
KILLEY, Ezra--a private on the Trippe, most likely is spelled Kelly and probably in the 27th U. S. Infantry
LIVINGSTON, Joseph--a landsman on the Porcupine, name might be Livingsetter or Livingston
LUDD, John--a soldier on the Lawrence, possibly a U. S. Regular
McCOY, John--a private on the Niagara, probably U. S. Regular
MARTIN, John--a private on the Tigress, possibly 27th U. S. Infantry
MARTIN, Joseph--a private on the Porcupine, possibly U. S. Regular
PHILLIPS, Daniel--a landsman on the Tigress, possibly 135th Pa. Militia
ROBINSON, William--a landsman on the Niagara, possibly 134th Pa. Militia
RYAN, Jeremiah--a landsman on the Trippe
SLOSS, William--a landsman on the Ariel, one spelling lists SLOWS
SNOW, William--a landsman on the Niagara, possibly U. S. Light Artillery
WEST, Freeman--a landsman on the Somers, possibly Pa. Militia
WRIGHT, Alexander--a private on the Niagara, probably in the 26th U. S. Infantry

If you suspect that you have any information on the above men, contact Mr. Altoff, Supervisory

OGS -- A WINNER

On May 14, the OGS received this first place certificate (reduced copy below) in Class III (societies with memberships of 1,000 or more) at the Newsletter Editors' Workshop at the National Genealogical Society Convention in Raleigh, North Carolina. I was thrilled to be able to be there to receive the award for OGS. The certificate was presented by Erma Angevine, President of NGS while announcement of the awards was given by Varney R. Nell, past president. Suzanne Murray, NGS Newsletter editor, was in charge of the event.

The International Society for British Genealogy and Family History, P.O. Box 20425, Cleveland, OH 44120, edited by Joy Wade Moulton (now of Columbus, Ohio) was the winner in Class II (societies with 300 to 1,000 members).

The winner in Class I (societies with fewer than 300 members) was the German Genealogical Society of America, P.O. Box 291818, Los Angeles, CA 90029. Kevin Tvedt is the editor of this publication, which is less than a year old.

I had the pleasure of meeting and talking with Joy and Kevin during and after the workshop. I was very favorably impressed with them and with their excellent publications. You may be able to meet Kevin at the Harvest of History 1987 Conference July 8-12 in Cincinnati. He was making plans to attend. If you find him, welcome him to Ohio and check out his publication and organization. If Joy is able to be there, you will find it worth your while to examine her newsletter and organization.

I would like to thank the following people: Sue Lee, former editor, for being a "tough act to follow"; Rita Kopp, former query editor, for her super assistance to Sue; Ruth Hostetter, my former query editor, for her excellent performance, friendship and moral support; and Mary Anschutz, my current query editor, who is a super typist, a willing worker, and a wonderful friend and neighbor. Thank you all! We couldn't have won this without you.

CHAIRMAN OF THE BOARD'S LETTER

Hello! By the time you receive this Newsletter, my term in office will be finished. It has been a real pleasure to have served you and the Society these last two years (and three years at an earlier date). However, before I give up my right to reach you through these letters, I would like to share a recent experience with you.

This experience proved the slogan "You have a friend in Pennsylvania". Mary Jane Henney, her husband Fritz, Carey Latimer and myself traveled to Harrisburg, Pennsylvania, to research our Keystone ancestors. Mr. Earl Fetterman, of the Riverfront Inn, offered us limousine service to and from the motel to the Archives and the State Library. With traffic and parking as it is in most metropolitan areas, this was an ideal solution to the problem.

Wouldn't it be nice if this type of service were offered in other cities by other motels or hotels? If any of you members are aware of this type of service in any other metropolitan area, please send the information to headquarters and we will see that the city and motel name is carried in the Newsletter to inform other members.

PRESIDENT'S MESSAGE

You may not all realize it out there, but you've got a really hard-working Executive Committee and Board of Trustees. One week after the Convention, the Board met in an all-day session to go over the proposed revision of the OGS Constitution (and they are still not through!).

Then, on the last Saturday in May, the whole crowd met in Mansfield again - this time for a regular meeting of the Executive Committee and Board of Trustees. I'll report mostly on this May 30th meeting.

During the Executive Committee meeting in the morning, we heard reports from most of the Area Vice-Presidents. There were several special anniversaries noted, and at least one First Families banquet (Brown Co., with over 40 new names).

On behalf of the Toledo District, Jana Broglin sought and received permission to hold a mini-convention September 19, 1987, in Defiance, Ohio. Watch for details later. Jana also reported that she would like to encourage more entries for the annual Education Award (A computer and printer were presented to the winner each of the past two years). Methods discussed were: going through various youth groups and getting additional news space around the state.

Peggy Horn, Historian, indicated she will now begin to get various committee records together at headquarters, both to serve as our historical record, and also to help future chairpeople.

Although Bev Schumacher wasn't there, I talked to her later about the OGS tour to Washington, D.C. scheduled for August 2-8. She indicated there still is room on the bus; so if you are interested, send her a note (along with a $50 deposit) as soon as possible. It will be a trip you'll never forget, believe me!

When the Board of Trustees met in the afternoon, the first order of business was to elect a new chairman. The new Chairman of the Board is Bob Cunning, who was President of OGS from 1980-1984. Congratulations, Bob, and many thanks to Ruth Allen who has directed the activities of the Board of Trustees for the past two years.

There were three announcements that you should hear about. The first is the really exciting one, and you will have already seen the results if you looked at the front page of this Newsletter. The Ohio Genealogical Society won the National Genealogical Society's first annual award for the best newsletter in Division III (societies with 1,000 or more membership)! Sunda Peters, our Newsletter Editor, went down to Raleigh, N.C. to receive the award in person. She received a round of applause from our Board of Trustees, and the applause was also for Sunda's predecessor, Sue Lee (with Rita Kopp as Queries Editor with her), since they, together, had set the stage! Congratulations to all these ladies. It just proves what we all knew all along - we have a great society.

The other two announcements were: a welcome to Phyllis Miller, from Dayton, our newest trustee, also, the resignation of Delores Arnold, our Chair of Policies and Guidelines (the "Blue Book") was read; the Board accepted her resignation with regret.

Dr. Houston reported that the Building Fund drive is now over $165,000; we're getting there, but we've still got a LONG way to go! In connection with the fund drive, all the Area Vice-Presidents were given a list of foundations within their areas that might be willing to contribute to our fund drive. But if you know a likely group or business, contact either your Area Vice-President, or Dr. Houston, since we don't want to miss any chances of raising the necessary monies to build our new library.

Bob Cunning even brought in some preliminary sketches of what the library will look like, and also indicated that the rental building is now empty, so "all" we have to do now is tear it down!.

continued on page 90

Carol Bell reported that she will put the finishing touches on information she has written for newsletter editors and will submit it for inclusion in the Blue Book. She also reported that the summer issue of the Report will be a bit late because publication had to wait for the photographs from the Convention. It will, of course, be worth the wait.

Finally, the schedule of meetings was discussed and decided upon; that means the next Executive Committee and Board of Trustees meeting will be held Saturday, July 25th, at Mansfield. The weekend after that will be the OGS Leadership Seminar in Delaware, Ohio. News about that will be in chapter mailboxes by the time you read this.

Julie Overton, President
Ohio Genealogical Society

CHAPTER ANNOUNCEMENTS continued

The MUSKINGUM COUNTY GENEALOGICAL SOCIETY is proud to announce the opening of a Genealogical Office on the third floor of the Muskingum Co. Courthouse.

The Muskingum County Commissioners have graciously remodeled a portion of the third floor, refinished cabinets, and built area desks for genealogical research. The Muskingum County Genealogical Society is providing research assistance from the new office 10:00 a. m. until 3:00 p. m., Monday and Thursday.

Any questions regarding genealogical research within the courthouse may be directed to this office. Information concerning local libraries, genealogy classes, the society, and accommodations for out-of-town researchers are also available. Publications, including all township cemeteries within Muskimgum County are also available for purchase during these hours.

Various courts have given permission to the society to clean, recover, and maintain original early court volumes. These include Supreme Court Records beginning in 1803. The Society is recovering and labeling the earliest original tax volumes housed in the attic. The room also maintains copies of Muskimgum County newspapers, which include the TIMES RECORDER through the present.

The cooperative effort of the County Commissioners and Muskingum County Genealogical Society is a milestone in providing effective access to court records to researchers in the state of Ohio.

CHRISMAN FAMILY BIBLE

An 1839 Bible published by the American Bible Society has been given to the Sandusky Co. Kin Hunters in hope that they could locate a descendant who might wish to have it. The Bible appears to have belonged to Daniel Chrisman (1807-1890) and Caroline Shamp (1813-1879), who lived in Wayne and Medina Counties. Children were: Hezekiah Sprague, Mary Jane, Anna Shamp (Cook), Andrew Jackson, Elmer Yocum, Gideon Richey, Frances Maria, and Adoniran Judson.

Daughter Frances married Datus Van, son of Geo. and Honor (Green) Van in Granger. Their children were George Van and Cora (Mrs. Albert Johnson).

The Bible and a large photograph album were purchased at a sale near Clyde, Ohio. The purchaser would like to be reimbursed for the cost of the photo album ($10). Contact the Sandusky County Kin Hunters at 1337 Hayes Ave., Fremont, OH 43420 with your proof of descent from this family and money to cover the cost of the album and mailing.

PRESIDENT'S MESSAGE

This seems to be the summer for large genealogical/historical meetings in the Ohio area. I'd like to report the activities of the recent conference organized by the Indiana Historical Society and sponsored, in part, by the Ohio Genealogical Society - the Bicentennial Conference of the Ordinance of the Northwest Territory of 1787.

This very successful meeting, attended by over 200 researchers, was held at the Century Center, on the banks of the St. Joseph River, in South Bend, Indiana, during the first full weekend in June. The Century Center is a modern facility with both large and small meeting rooms, along with an auditorium. It even houses the Studebaker Museum.

The programs were varied, and most of them touched upon the Northwest Ordinance of 1787, and the 5½ states that were part of the Old Northwest Territory. There were several genealogical lectures, including one presented by our own Anne Budd; another Ohioan, Thomas A. Burke, gave his lively presentation on Ohio land surveys. He also brought along copies of the newest edition of the Auditor of Ohio's book on Ohio land surveys. One of the most interesting meetings was a reception at the St. Joseph County Historical Society, complete with a miniature doll house, Civil War displays, and a well-stocked gift shop.

That's the overview. What I'd really like to write about is the participation by OGS members at the meeting. Tom Neel, our office manager, had been authorized by the OGS Board of Trustees to attend the meeting. He was officially in charge of the large room that had been designated for the Ohio Genealogical Society. Tom had tables set up so we could sell our books, and there were lots of extra chairs available.

The very first evening is an example of how the room was used. After the general announcements following the first evening's dinner, nothing else had been planned, so the OGS announced a spontaneous "social hour". All you had to do was come in to the OGS room, sit down, and give your name and genealogical problem. There were about ten of us who showed up there, and Ohio genealogical problems were discussed until after 10:00 p.m. (we were the last ones out of the building that night!). In addition, we made several new friends during that impromptu session.

During the daytime hours, Tom was generally available in the OGS room. A few others of us took over for him a few times, but during the break times, it took both Tom and an assistant to keep things moving. The people who helped Tom in the OGS room were Jeanne Pramaggiore, Dale Kellogg, and myself. Clif and Dorothy Wig helped out with the Friday evening "social hour", and Anne Budd was everywhere at once, answering all kinds of Ohio genealogical questions.

At the OGS table, it seemed the most frequent questions and comments were about cemeteries in Ohio, and about First Families of Ohio. The chapter directories that had been updated last year were a hot selling item, largely because people wanted to get in touch with chapters in specific counties.

All in all, the Conference was an excellent one, the administration of it was smooth and effective, and our participation in it will reap benefits for a long time to come. I would like to extend my thanks, on behalf of the entire Ohio Genealogical Society, to the Indiana Historical Society for allowing us to participate in the meeting.

My one regret about the entire weekend was the absence of the organizing genius, Mr. Willard Heiss. He had planned the meeting from conception to realization, but the state of his health prevented him from attending the actual meeting. We all missed him. The grapevine has it that he is now doing fine. I certainly wish him the best, and I want to extend my deepest thanks to him for getting the Bicentennial celebration of the Ordinance of 1787 organized and underway.

Last of all, I do wish to publicly express my appreciation to Tom Neel. He seemed to be everywhere at once, was answering questions, making out receipts, fishing out lost pencils, collecting members (yes, we got quite a few there - and many applications handed out), and at the same time giving each person a smile! Thanks again, Tom.

Volume II consists of Biographical Sketches of Clermont and Brown County families.

The Southern California Chapter, OGS, has informed us that Stephen Urwin, formerly of Mansfield, OH, is now a resident of Indio, CA, and has joined their chapter. He will be sending out the mailings of the "Buckeye Californian". Their August meeting was attended by Virginia Pickenpaugh of the Summit County Chapter and Marjorie Reid of the Green County Chapter. Anita Cheek Milner was their speaker. If you are in the area they would be delighted to have you attend their meetings. They are working on the 1850 Census of California--abstractions of Ohio natives in California. It is too early to promise a publication date.

SPECIAL ANNOUNCEMENTS

The Department of Archives and Special Collections, Ohio University Libraries, is increasing its hours of service. Beginning July 11 the department will be open on Saturdays from noon to 4 p. m. when the university's classes are in session.

NOTES FROM MERSEYSIDE MARITIME MUSEUM

The Specialist Archives Department, which now includes the Maritime Records Centre and the Emigration Bureau, is anxious to locate all material relating to emigration to any part of the USA or Canada via the Port of Liverpool. Personal items such as diaries and letters are of particular interest; so are details of special immigration schemes, Associations of Immigrants and collections of ephemera, immigration literature, etc., such as pamphlets and religious tracts.

Continued on page 107

MERSEYSIDE continued

The group is seeking help from private individuals as well as public repositories and learned societies which might possess a descriptive letter, journal, account book, ticket, or whatever, bearing on The Great Migration which formed the Nations of Nations. They would be grateful for the privilege of copying whatever you may have for their Emigration Bureau.

If you have something that they might like to copy or have something to donate, contact: J.Gordon Read, Keeper of Archives, N.M.G.M., 64-66 Islington, LIVERPOOL. L3. 8LG.

COLUMBIANA COUNTY RECORDS CLOSED

June 30, 1987

The Columbiana County Commissioners have closed a portion of their records by laying off the lone employee who was in charge of the microfilm department. There are records on microfilm from at least four county offices: Probate Court, Common Pleas, Recorder, and Auditor. All of the county's early (from 1803) probate records (wills, estates, guardianships, etc.) are available only on microfilm. The individual office holders do not have keys to the microfilm room and do not have the staff to accompany a person to the third floor to use the records.

Carol Bell, OGS trustee and member of the Columbiana County Chapter, OGS, is anticipating filing suit against the county commissioners because the action of the commissioners impairs her ability to make a living as a professional genealogist. In addition, Ohio law requires that the records be made available to the public during reasonable hours. The law allows the aggrieved party to file suit against the county, with a possibility of the county being fined $1,000 per incident.

Please be aware of this problem in Columbiana County and watch for updated information in following newsletters.

MENNONITE EXPERIENCE IN AMERICA CONFERENCE

Bluffton College will host the sixth Mennonite Experience in America Conference November 5-7, 1987. Papers will focus on nineteenth century emigration from Switzerland and Germany to the Midwest and Upper Canada. For more information, contact Dr. J. Denny Weaver, Bluffton College, Bluffton, OH 45817. A session on genealogical research will be part of the program.

A one-day program on Local History as Social History will be held on November 5. The conference will center on a cooperative project on the origins of early Allen County settlers and the ethnic communities they formed. The project was sponsored by the Allen County Historical Society and Bluffton College, with the assistance of a grant from the Ohio Humanities Council, to help interested adults improve their skills in research into primary sorces. For more information, contact: Dr. Richard K. MacMaster, History Department, Bluffton College, Bluffton, OH 45817.

MUSEUM REOPENING

The Campus Martius Museum in Marietta will reopen July 13 as part of the community's celebration of the two hundredth anniversary of the passage of the Northwest Ordinance. It has been renamed. It is now to be called "Campus Martius: Museum of the Northwest Territory". It contains many new exhibits of interest to historians and genealogists. A library room on the third floor is available for research into Marietta's settlement, river and steamboat history, and genealogy, according to John Briley, Manager, as reported in the July 1987 "Echoes", a publication of the Ohio Historical Society.

At the main entrance, the United States flag and the flags of the six states that were carved from the Northwest Territory will fly from seven flagpoles.

Information can be obtained from Campus Martius at (614) 373-3750.

President's Message

Even though it was mid-summer, and reunion season, attendance at the July 25th Executive Committee and Board of Trustees meeting was very good.

The morning session covered the "action" types of items which are performed under the direction of the Executive Committee.

On behalf of several OGS leaders, I reported on the recent convention organized by the Federation of Genealogical Societies and hosted by the Miami Valley Council on Genealogy and History. There were 80 speakers, people attending from all over the country and a huge exhibit area -- at which OGS was ably represented by Cindi Metzger, her husband Sam, and several other OGS members, as needed. Again, OGS was reaching out to people, selling books, and making itself known. My thanks go out to Cindi and Sam - they were great!

Speaking of conventions, Pat Donaldson sent in a final report on the OGS Convention at Perrysburg (which was pronounced a success and all expenses were cleared) and reminded us of next year's convention at King's Island Inn (Warren Co.) on April 15 and 16.

By the way, don't forget the mini-convention scheduled for Defiance, Ohio, on September 19th. They have some good speakers and a full day of information. Check your June newsletter for details and registration information.

In terms of projects, Jocelyn Wilms is in the process of revising and updating the OGS Speaker's Bureau. So, if you know of a good speaker that should be on her list, drop her a note via Headquarters. Jocelyn is continuing the policy of only listing speakers recommended by chapters or by members, so she needs your recommendations now.

The Cemetery Committee, under the joint leadership of Terry Klaiber and Sharon Irby presented the new 15-page cemetery guidelines for comments and final approval; which was given. This has information on how to locate and copy cemeteries, and also details about Ohio cemetery laws. The pages will be sent out to all Blue Book custodians, and will also be offered for sale as a separate OGS publication, so watch the Newsletter for further details.

The tour to Washington, D.C. has been cancelled due to a low signup, which was certainly a shame, but unavoidable. It was a special disappointment for Bev Schumacher, our tour leader, because she had attended a course on how to lead tour groups, but she had to resign the OGS position because of health reasons. She has also been co-area Vice President for the Athens area with Tacy Aldridge, so Tacy will have to "go it" alone for awhile. Thanks for your efforts and enthusiasm, Bev, and the best of health!

The afternoon Board of Trustees session lead by Chairman Bob Cunning dealt with financial and policy matters. A major portion of the meeting was devoted to membership dues and categories. You'll read more about the results in an upcoming Newsletter.

Several items were approved for the Blue Book besides the cemetery information. These included information on Newsletters and quarterly guidelines, and updated home and address lists. Several other ideas were discussed; Mary Jane Henney, as new chair of the Policy & Guideline Committee (i.e. the "Blue Book"), will work on them. By the way, Delores Arnold had been chair of that committee, but she had to resign. Mary Jane is certainly familiar with the committee since she used to be in charge of it, so I know she'll be excellent in that position.

That's about it for now. Next month I'll report on the OGS Leadership Seminar, and after that will come a report on the Executive Committee and Board of Trustees information dealt with at the scheduled September 26th meeting.

ESSAY CONTEST

Education Division, Ohio Genealogical Society

1988 will mark the third year of the Ohio Genealogical Society Essay Contest. The essays received over the past two years have been outstanding. This year, however, a 100% state-wide district participation is the goal of the committee. If the districts encourage the chapters to participate, more and more young people will be aware of the contest. With more young people interested, parents become involved. If parents are interested, chapter membership may rise, then everyone benefits from the Essay Contest.

There are a few clarifications to be made regarding this contest. Any student in Ohio, providing they are sophomore, junior, or senior may enter this contest. Children or grandchildren of out-of-state Ohio Genealogical Society members may enter. If that student does not live in Ohio, it is required that they include the OGS member's name next to theirs on the title page.

If beginners' packets, rules, and entry forms are needed for the contest, please request it from the Ohio Genealogical Society, P.O. Box 2625, Mansfield, OH 44906.

PRESIDENT'S MESSAGE

Well, the Second Annual OGS Leadership Seminar is over and you will be happy to know that, although the weather was damp (like last year), the doors were wide open (NOT like last year!) in welcome. We were having the meeting at the Delaware Co. Joint Vocational School, and the facilities really suited our needs.

The overall attendance at the meeting was about the same as last year's - about 75 OGS leaders and potential leaders. There were 31 chapters represented (more than last year), and the positions of the attendees were, in order of numbers: secretaries (12), chapter presidents (11), newsletter editors (11), vice-presidents (8) and treasurers (3). We also had 2 library people, and one each of membership, budget, by-laws, education and chapter first families chairs.

Best of all, there were 16 who did not hold an actual leadership position - and those are our potential leaders. Geographically, all ten OGS districts were represented, along with one brave soul who came from Green Valley, Arizona - just for our seminar, I'm sure!.

But, it's the content of the meeting (and I don't mean the food, although that deserves blue ribbon mention, too!) that is the important part of any such meeting. I think it was even better than last year's (although I didn't think that would be possible).

Four topics were scheduled during each session, and since none were repeated, several chapters brought four members along so they could get reports on everything. The first four topics were Chapter Secretaries (Joan Hughes, Hamilton Co.), Membership Ideas (Jeanne Pramaggiore, Montgomery Co.), Cemetery Legalistics (Terry Klaiber, Muskingum Co.), and Libraries and Security (Marguerite Calvin, Putnam Co.). The second session was devoted to Seminar Planning (myself pinch-hitting for Pat Donaldson), Parliamentary Practice and Meetings (Phyllis Miller, Montgomery Co.), Chapter Newsletters (Sunda Peters), and Chapter First Families (Frances Hixon, Jackson Co.).

After our great potluck luncheon, the third session had Chapter Presidents (myself), Education (Jana Broglin, Fulton Co.), Chapter Publications (Carol Bell, Mahoning Co.), and Program Planning (Jocelyn Wilms, Mahoning Co.- complete with arm bandage). The last period had Chapter Treasurers (Dale Kellogg, Lorain Co.), OGS Office Procedures (Tom Neel - who else?), Computers in Chapter Activities (Suzanne Strick, Lorain Co.), and Chapter Queries (Nancy Applebee, Lorain Co.).

The sessions were great, and people are looking forward to next year's Leadership Seminar. The date will be announced just as soon as final arrangements are made.

This didn't "just happen", however. Dale Kellogg was in overall charge this year, while Alice Baker was the Delaware Co. leader. Darlene Lewis was the Kitchen Director. These people all had others to help them, and George Cryder seemed to be everywhere at once, helping everyone! My sincere thanks go out to all these people, and their helpers, who helped make the seminar such a success!

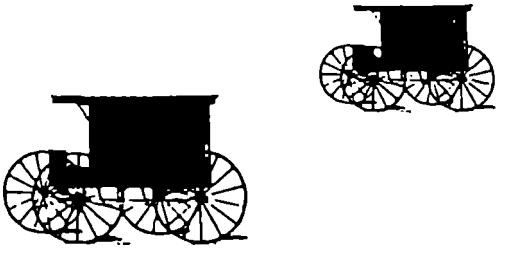
I can't resist adding a final note. The Delaware Co. Chapter kindly extended an invitation to all attendees to come over to their headquarters at the Delaware Co. Historical Society, and see what they have. About 15 of us took them up on their offer - and they have quite a set-up, not to mention all the goodies they have stashed away just waiting for transcribing help, etc. We also had a personal tour of the Historical Society's furnished house - that, too, was a treat. Thanks again EVERYONE!

Julie M. Overton, President
Ohio Genealogical Society

OGS UPDATE

We would like you to know that we are progressing toward our new library. The building next door to our present headquarters has been torn down by several Amish gentlemen and the site will be prepared soon for the new library.

Sunda Peters, Editor



Dear OGS Member:

Nearly three years ago your Board of Trustees unanimously voted to begin a Building Fund Drive and those at the Annual Business Meeting in Columbus, Ohio, in 1985, arose to their feet to vote their approval and to pledge their support with their money.

Well, about 5 percent of our membership has kept this pledge. Consequently, this drive is over half way to the goal of $225,000.00.

I asked what happened to the rest of our members? Some said our fund drive had been too low key. Those who had been involved in the United Fund said we needed personal contact. Would you take it on yourself to contact at least five people about this fund drive and its benefits to all?

At the Chapter Workshop in Delaware, Ohio, on August 9th, many present indicated they were not aware of The Ohio Genealogical Society Fund Drive. This indicated that many do not read their OGS Newsletter, which incidently, just won the National Genealogy Society Award as the best in its class. It also indicates something else, we as OGS Members, are not talking up this fund drive. Those OGS Chapters that have talked about it in their meetings say their members have shown increased giving. I ask you to please make your gift and ask the next five or more members you meet to join you by making a gift.

Around the turn of the century, The Old Northwest Genealogy Society had the opportunity to build for the future. They missed the opportunity so instead of a library like the one at Western Reserve Historical Society, the Old Northwest Genealogical Society is spoken of as a ghost of the past.

Today, we have the opportunity to build for the future of GENEALOGY IN OHIO. We can build this new library now, if you will join with me and send your gift to the

OGS Building Fund
P.O. Box 2625
Mansfield, Ohio 44906

It would indeed be a tragedy if OGS failed to raise the $225,000.00 and thereby failed to get the $75,000.00 Richland Foundation matching fund so we could build even a larger library. Would you please make your gift a generous one to the OGS Building Fund at this time?

Thank you,

James D. Wolfe

James D. Wolfe
Vice-Chairman of the Fund Drive

GUIDE TO CEMETERY PRESERVATION

The Ohio Genealogical Society, State Cemetery Committee, proudly announces that the GUIDE TO CEMETERY PRESERVATION has been published and distributed to all chapters, for placement in the OGS "Policy and Guideline Manual".

This guide contains information on Ohio's Cemetery laws, suggested guidelines for copying, publishing, tombstone repairing and working with volunteer groups on cemetery preservation. It is an excellent tool for individuals, as well as chapters. Should any individual wish to have a copy of this soft-bound 19-page guide, send $2.00 c/o The Ohio Genealogical Society, P.O. Box 2625, Mansfield, Ohio 44906.

Dear Fellow Members:

About 2 years ago the Ohio Auto Club announced that they were going to build a new facility for the Mansfield area. They also made known their intention of giving their present building to the Richland County Historical Society. OGS contacted the Ohio Auto Club with the request that they consider giving the building to us rather than the Richland County Historical Society. The Auto Club turned down our request.

On May 18, 1987, the Auto Club moved into their new facility and in July 1987, gave the building to the Richland County Historical Society. Since that time, the Richland County Historical Society has been attempting to find proper tenants and use for the building. Recognizing that they do not have proper income to maintain and operate the building, the President of the Richland County Historical Society, on September 25, 1987, asked if OGS would like to have the building. I took this proposal to the Trustees of OGS and they voted to consider the offer.

The building located at 34 Sturges Avenue was built in 1890 of native Richland County sandstone and has 27 rooms with a 1700 square foot addition at the rear of the property. The building has recently been appraised at $300,000 and appears on the National Register of Historic Places. It is across the street from Days Inn and within half a block of the Holiday Inn and Travel Lodge, and Renaissance Theater.

The 1700 square foot addition can house our library and the 4000 square feet on the first floor of the main building could be used for our office, which means that our present property could be sold.

If we accept the offer, we will continue our building fund drive to add an elevator and to enlarge the rear addition which will enable us to expand our library.

Please let me know what you think about the idea.

Respectfully,

Robert A. Cunning

Robert A. Cunning
Chairman of the Board of Trustees

PRESIDENT'S LETTER

The meetings of the Executive Committee and Board of Trustees were held in Lexington, Ohio, about four miles south of Mansfield, on September 26. We were sort of crowded out of our usual location by the crowds attending the Mid-Ohio car race which took place that Saturday.

At the Executive Committee meeting, the officers all made reports. Jana Broglin said that the recent mini-convention held in Defiance, Ohio, was a success, with about 70 registered attendees. Everyone enjoyed the event and learned alot. My thanks go out to the chapters involved that did all the work to make it a success.

We also heard that two new chapters are in the works. The Medina Co. Genealogical Society presented their by-laws and list of members, and were accepted as a new chapter. Vinton County is also interested in starting a chapter. If you have Vinton County interests, contact OGS Headquarters and ask that your name be passed on to the core group in McArthur.

We heard one rather sad note. When north central Ohio was flooded a few months back, the Marion County Chapter, which had its holdings stored in a bank basement, was flooded out. Their lost charter was replaced at the meeting.

We had committee head changes to announce too. Walt and Terry Dunn (chairs respectively of the Computer Interest Group and of the 1880 Census Indexing Project) are moving to Scranton, Pennsylvania, and will not be able to continue as chairs. Mary L. Bowman, from Athens, Ohio, has been appointed the new chair of the 1880 Census Project. I hope to have a brief report in an upcoming Newsletter about progress on that indexing project, so that you know where we stand.

We also started a new committee. This one is to oversee the microfilming operations at headquarters, using the camera that OGS recently purchased. George Klippel has accepted the chairman's slot, and is currently working on policy details.

When the Membership report was given by Jeanne Pramaggiore, she gleefully announced that our membership total is "over the top" (the top being last year's total membership). As of September 1, we had 6,164 members and we still have a few months to go! Now THAT'S exciting news!

As we all sat around the meeting tables, there were big red books in front of us -- the recently published copies of the Ancestor Charts book. It's been a long time coming, and Linda Fair, Chairman, supported by the Auglaize County Chapter, put a tremendous amount of work into it. The 315 pre-publication orders have been mailed out. If you did NOT order a copy, you may want to send in your check soon, because we only ordered 500 copies. That means there are only 185 books left. That would make a nice, great BIG, red Christmas present for someone.

The afternoon session, headed by Bob Cunning, Chairman of the OGS Board of Trustees, started out with the acceptance of the resignation of Mary Beebe as a trustee. Mary has been very active in the past (Chair of Ancestor Card Files, and of Tours, and a hard worker at the OGS/NGS Conference), but she needs time to spend with her newly retired husband. We will miss her at meetings though, because she is a very lively, cheerful, and caring person. Her replacement on the Board of Trustees was appointed by the Board. It is Margaret Dieringer. Welcome back, Margaret.

Bob also appointed Orlo Strine as our new Chairman of the Finance Committee. Orlo has had this job before, and did an excellent job. Welcome back to you, too, Orlo.

Dr. Ritter reported that new FFO applications are already coming in and we are considerably ahead of last year's number at this time. It looks like it will be a "bumper crop" for new FFO members, so get your applications filled out soon and avoid the rush.

The old building next to OGS Headquarters, which we had rented out for apartments, is now part of history--it is gone. All we have to do now is fill the hole, at least temporarily. The Board spent the rest of the afternoon discussing buildings and finances. You'll hear more as we progress toward additional space for our crowded headquarters and library.

Our next regularly scheduled meeting will be held November 21 at Mansfield. A special meeting is scheduled for final discussion of the proposed revised constitution, and possibly for more building discussions. I'll keep you posted about progress on these matters.

If you ever get the urge to attend one of our meetings, please let me know. After all, we meet only to direct YOUR society. Your interest in our meetings is always encouraged.

Julie M. Overton, President
Ohio Genealogical Society

QUESTION & ANSWERS

RE: Silver Creek location in the September Q&A

Wilma Geiger of Cuyahoga Falls reports that the first railroad train came through Wadsworth, Ohio, in 1863. For six years wood burning engines refueled near Silvercreek. The Wadsworth Coal Company in Silvercreek produced 40,000 tons of coal in 1871. Silvercreek was and still is an area of about two miles or so south of Wadsworth, Medina County. There are no signs, but the road is designated as Silvercreek Road, which is C. H. 59 and runs between C. H. 97 (Greenwich) and C. H. 150 (Eastern Rd.).

QUESTIONS & ANSWERS

RE: Silver Creek location in the Septeber Q&A

Thanks to: John Rugg of Granville, David Rish and Mrs. B. A. Stober of Kenton, Seeton Thorn of Akron, and Barbara Musselman of Fairview Park for their location for Silver Creek in Hardin County. A summary of their information follows.

Ohio Town Names by William D. Overman states, "Silver Creek is located on a county road in Hardin County. It became a station stop on the Mad River and Lake Erie Railroad. It was calle Hudsonville, later changed to Silver Creek, when platted and recorded in 1867. Blue, 108."

Complete Pronouncing Gazetteer of the World (Lippincott, 1900) says that Silvercreek is a post-village of Hardin Co., Ohio, on the Cleveland, Cincinnati, Chicago and St. Louis R., 6 miles SW of Kenton. Population 150.

The History of Hardin County, Ohio by Warner Beers & Co. 1883, page 581 locates the stream and community of Silver Creek in Taylor Township.

Currently, Silver Creek is on Co. Rd. 115, between Routes 67 & 68. The only thing left is a fertilizer supply called "Silvercreek Supply" and a Silver Creek Methodist Church. There is a craft shop nearby in a former school and a few houses. It was once a booming village.

Silver Creek Metropolitan Parklocated in Wayne County near Doylestown, contains a stream by that name.

PRESIDENT'S MESSAGE

By the time you receive this OGS Newsletter, you should already have received your membership renewal packet. This includes your new membership card (unless you are a life member), with a variety of boxes to check, depending upon your membership category and on any donations you might like to make. Also included in the packet are a letter from Jeanne Pramaggiore, your membership chair, and a tentative schedule of OGS events for the year 1988. Let's take a closer look at what next year's schedule has in store.

Besides holding at least six "regularly scheduled" Executive Committee and Board of Trustees meetings, the first big item is the deadline for the year's FFO applications. It's easy to remember, since it is that special day that happens only once every four years -- "Leap Year Day", otherwise called February 29th. Butch Ritter and most weather prognosticators are in agreement -- it's going to be a long and cold winter with a large amount of precipitation (and new FFO applications). So, get your papers ready and send them in as soon as possible.

Elections for ALL OGS officers and five (5) trustees will also be held this year. Thus, this election will be really important for our organization. You will be electing a new president. I will have served in this capacity for four years! You will also elect the other statewide offices and all area vice presidents.

However, in order to have a good election, with at least two excellent candidates for each office, nominations need to be sent in. So look around you for possible candidates and ask if you can submit their name for an office; and if you are asked that question, please say "yes" if you feel you are qualified and if you feel you can spare the time to attend the meetings and do a good job. As you probably know, however, you can only vote for new officers if you are a paid-up member of OGS.

Another vital part of OGS's schedule for 1988 is the annual convention, this year planned for April 15 & 16, with a grand finale on the 17th of an Ohio River boat cruise, with brunch and fun. The convention will be held in Warren County at King's Island Inn. Best of all, we have received word that the amusement park itself will also be open - so bring your whole family!

The only major event currently scheduled after the convention is the Third Annual OGS Leadership Seminar, tentatively scheduled for the fifth Saturday in July. So, I hope all chapters attend this meeting which is meant to help chapter officers become even more effective, and help them learn new ways to involve all chapter members!

It promises to be another busy and productive year for the Ohio Genealogical Society. Therefore, if you have not done it already, SEND YOUR MEMBERSHIP RENEWAL IN NOW -- BEFORE YOU FORGET! (at the "old rates" if mailed before December 31, 1987) By the way, don't forget that the holidays and gift-giving times are ahead. Give a friend or relative (especially if they are part of the family tree with that genealogical snarl you can't seem to unravel!) a gift membership in OGS.

Finally, on behalf of all OGS leaders and staff, may I wish each and every one of you a wonderful holiday season and a rewarding 1988!

Julie M. Overton, President
Ohio Genealogical Society

Please note that the FFO deadline is February 29, 1988.

COSTUME NIGHT

Again this year, we encourage your participation in our annual costume night. Everyone is invited to dress as one of their favorite ancestors on Friday evening, April 15th.

A costume fashion show is planned to give everyone an opportunity to see all of the interesting costumes - not just the winners. Each entry will be introduced by the name of the ancestor they represent and a few words will be said about the outfit worn. For example:

> "Our next entry is Sarah (Boone) Bryant, ancestress of (your name) and this is typical of what a frontier woman would have worn in Bourbon County, Kentucky in 1788."
>
> or
>
> "Next, we have James Smith, whose original surname was Schmidt. Born in Austria in 1820, came to America in 1847 and his descendant (your name) wears his country's traditional folk costume."

You are encouraged to dress in costume whether you participate in the costume fashion show or not. For those who will enter the fashion show contest, please prepare the following on a 3x5 card:

> Name of ancestor/ress represented by the outfit worn.
> Your name.
> A brief description of the outfit and, if relevant, a word about the ancestor, ie: "Sarah Boone Bryant above was the daughter of Daniel Boone".

Send the card no later than March 15, 1988 to:

NOTES FROM YOUR EDITOR

We attempt to squeeze as much information and as many queries into each issue as we possibly can. You can help us and save yourself postage by by sending your one free query per year on a U. S. postcard. They are filed according to when they arrive at headquarters in a file for 3 X 5 inch cards. You can save us much time if you will do this to help us out. If we are short of queries we will notify you in the newsletter. Thank you for your help with this.

Give yourself and your genealogical chapter a present for the holidays. Present your volunteer chairman or president with paper gift certificates that are good for one hour of volunteer time on the project of his/her choice. Give as many one-hour certificates as you think you can afford. Personalize each by adding a list of times that you are usually available during the week. This "do-it-yourself" gift will not only help out your chapter, but you will find that you are receiving a gift in return--the pleasure of helping out your genealogical family. PRESIDENT'S MESSAGE

Our last regularly scheduled Executive Committee and Board of Trustees meeting for 1987 is now history. We had a crowd that was a bit smaller than usual, due to a large extent to an early winter storm that left part of northeastern Ohio with a coating of ice on the roads -- on Friday night and Saturday morning, of course!

The officers all made reports. Vinton County people are looking for OGS members to join them in their drive toward becoming a chapter. If you have research down there, and would be interested in joining them, drop a note to them via OGS headquarters.

Theresa Klaiber and Sharon Irby, our Cemetery Committee co-chairs, reported good responses from their Cemetery Guidelines booklet which was sent to all chapters (and is available as a separate OGS publication). They will now begin to work on a supplement to the OGS-published book "Ohio Cemeteries". The book itself was published in 1976, and much additional information is now available concerning "new" cemeteries. In addition, many cemeteries have now been published in full since 1976. Specific information on this type of addition or change will be requested by the two ladies in the near future so that a supplement to "Ohio Cemeteries" can be published. Watch this Newsletter for further details.

The Convention, under Pat Donaldson, scheduled for April 15, 16 and 17, will have lots of speakers this year, along with beginners' sessions and a major focus on computers. A boat cruise for Sunday brunch with some additional genealogical activity will serve as an exciting way to end the Convention.

Mary Bowman, our new 1880 Census Index Chair, gave an update on the overall project. She felt that Terry Dunn had done a great job in keeping tabs on things, and keeping things organized and progressing. Terry has moved to Pennsylvania, but she plans to continue helping to put the information into computer format. Thanks SO MUCH for your leadership and energy, Terry!

Finally, the "new edition" of the OGS Speaker's Bureau is about ready to be distributed to the chapters. Jocelyn Wilms worked on this edition, and reported that almost 40 speakers are represented. It takes a lot of effort to get the job done (I KNOW, because I did two earlier editions), and I really appreciate Jocelyn's talents.

The Trustees meeting in the afternoon started out with budget adjustments as recommended by Orlo Strine, our new Finance Chair. It sounds dull, but it does keep the Trustees aware of the changing financial needs of your organization.

Butch Ritter, F.F.O. Chair, telephoned in his report (he was "iced in"), which said that over 50 new F.F.O. applications have already been approved, as have "quite a number" of additional ancestors. He also hopes to have the updated F.F.O. Roster completed this winter.

After considerable discussion about the procedures for voting in next year's elections, the Board decided on the format for ballots, for counting, and for reporting. Speaking of which - do you know anyone who might be suitable for a state-level job within OGS? If so, send in their nomination, along with their written permission, and a short biography, for office.

The last two big items on the agenda were the Constitution and the Building. The Constitution revision discussions are ALMOST finished, and you will be hearing about the final steps very soon.

After considerable discussion, the Board made their really big decision. They voted to accept the Bushnell property on Sturges Avenue in Mansfield as the new OGS headquarters facilities. There were some reservations that Board members had concerning the facility, largely to do with possible costs in keeping up a large historic structure. One of the major points in favor of accepting the building is the fact that we are simply OUT of space, and we really need the room the Bushnell property will provide.

This will mean that you members out there may see some slight disruption of your normal procedures, responses, etc., but I know we will try and make the move as smoothly as possible, and with as little disruption of service as we can possibly manage.

And in terms of the finance drive, this does NOT mean we don't need additional donations. There will be some major monies needed to refurbish parts of the building, to purchase library shelving, and so on. So please keep donations coming -- the calendar year 1987 is just about ended!

And of course, I really MUST wish all of you out there a great New Year -- and may your genealogical discovery of 1988 be the one you've been dreaming about ever since you got started on our lively endeavor - genealogy!

Julie M. Overton, President
Ohio Genealogical Society

1988 CONVENTION UPDATE

Riverboat Cruise
Sunday, April 17

Following our usual convention activities on Friday and Saturday, April 15 and 16, we are offering this special event to the first 200 people who sign up in advance. The day will begin with a nondenominational worship service at the Kings Island Inn at 9:00 A. M. At 10:00 A. M. we will assemble for the trip to the River, where we will board the Becky Thatcher by 11:00. Buses and car pooling will be available for those who do not wish to drive their own vehicles, although plenty of parking is available at the boat landing. Aboard, we will enjoy a two-hour cruise up the Ohio River while having brunch. Those who wish to do so may sign up for J. D.Wolfe's famous surname exchange on the upper deck. There will be some additional surprises in store for those on board, so join us for a fun-filled morning on the River.

Cost per person including transportation, brunch, boat ride, and pre cruise worship service is $15.00. Space is limited. Reservations must be made no later than April 1, 1988, for this event. Reservations should be sent directly to: 1988 OGS Convention, 2277 Donnington Lane, Cincinnati, OH 45244; Mr. Charles Smith, Registration Chairman, phone (513) 232-3436.

The Kings Island Amusement Park, located directly across from the Inn, will be open during the weekend, Saturday and Sunday, April 16 and 17. The usual hours are 10:00 A. M. to 10:00 P. M. SHARE AND TELL

John R. DeWalt, 2771 Rock Road, Route 2, Shelby, OH 44875, has information that he would like to share with descendants of the people listed below.

He has letters from Rebecca Wolfe, Ravenna, Ohio, in the 1850's that were found in the house of John W. and Catherine Darby Leppo.

John Leppo married Catherine Darby in 1876. She died in 1896 at age 40. Catherine was a daughter of John O. (d 1886) and Sarah Darby. They gave Catherine 28 acres in 1880. They are probably the recipients of the letters addressed to "brother and sister".

Samuel DeWalt purchased a 96 acre farm in 1910 that was owned by John O. Darby. Later he purchased the 28 acres owned by Leppo.

Mr. DeWalt has pictures of Lorenzo B. Darby family and Franklin E. Darby family, believed to have moved to Williams County, Ohio.
